Welcome!

As the organizers we take great pleasure in welcoming you to the “3rd International Workshop on Advanced Atomic Force Microscopy Techniques 2012”. The workshop will again be a forum for stimulating discussions and the exchange of new ideas which will help to explore the nanoworld in more detail. We especially thank our invited speakers and all of you, who contribute to the talks, the posters and the discussions. On the following pages please find the detailed conference program.

The workshop will again take place in the lecture hall of the Institute of Nanotechnology (INT) on Campus North of the Karlsruhe Institute of Technology (KIT). A map of the Campus and travel instructions how to reach the Campus are also included in this booklet.

We acknowledge financial support for this workshop from the KIT, the Institute of Microtechnology (IMT), the Institute of Nanotechnology (INT), and the Karlsruhe NanoMicro Facility (KNMF) as well as by the companies SPECS Surface Nano Analysis GmbH, Omicron Nanotechnology GmbH, Atomic Force F&E GmbH, Bruker Nano, Zürich Instruments, Schaefer Technologie GmbH, NT-MDT Europe BV and JPK Instruments AG. Special thanks go to Omicron Nanotechnology for the refreshments and snacks offered during the poster session and to SPECS Surface Analysis GmbH sponsoring the Best Poster Award.

We hope that you will enjoy the workshop and have a wonderful time in Karlsruhe, and we are looking forward to welcome you at the KIT.

Hendrik Hölscher

17:50 Graphene and Hexagonal Boron Nitride 2D Super Structures Analysed by Scanning Probe Spectroscopy
Sascha Koch, University of Basel

18:10 Multi-Scale Simulation of Kelvin Force Microscopy on Insulators
Alexis Baratoff, University of Basel

18:30 SHUTTLE BUS from the KIT Campus North to Campus South

19:00 CONFERENCE DINNER at the Gastdozentenhaus “Heinrich Hertz” located at the Campus South of KIT

22:00 Short guided tour by Thomas Schimmel through the city of Karlsruhe (ends at the Renaissance Hotel Karlsruhe)

Tuesday, March 6, 2012

8:45 SHUTTLE BUS from the Renaissance Hotel Karlsruhe to the KIT Campus North

Chair: Yossi Rosenwaks

9:30 Direct Write 3-Dimensional Nanopatterning Using Probes
Armin Knoll, IBM Zürich

10:10 Effect of Relative Humidity when Manipulating Gold Nanoparticles on Flat Substrates using Dynamic Atomic Force Microscopy
Karine Mougin, Institut de Sciences des Matériaux de Mulhouse

10:30 The Structure of 2D Vitreous Silica
Markus Heyde

10:50 COFFEE BREAK

Chair: Markus Ternes

11:20 Bottom-up Fabrication and Characterization of Graphene nanoribbons
Pascal Ruffieux, EMPA

12:00 Measuring Gap Density of States in Organic Thin Films Using Kelvin Probe Force Microscopy
Yossi Rosenwaks, Tel-Aviv University

12:30 LUNCH
13:20 Partial Wetting as New Concept to Operate Microresonators in Viscid Fluids with high Q value
Egbert Oesterschulze, TU Kaiserslautern

14:00 In-situ Cantilever Shape Profiling – Implications for Quantitative Functional and Nanomechanical Measurements
Roger Proksch, Asylum Research, Santa Barbara

14:20 A New Approach for Atomic Scale Spin Detection using a Diamond-based Scanning Probe Sensor
Markus Ternes, MPI Stuttgart

15:00 Superlubric Sliding of Metallic Nanoparticles: The Influence of Contact Area and Crystallinity
Dirk Dietzel, University of Münster

15:20 Clockwise and Anticlockwise Rotation of Porphyrins Molecules using Localized Mechanical Deformations
Rémy Pawlak, University of Basel

15:40 BEST POSTER AWARD & CLOSING REMARKS

16:00 SHUTTLE BUS to Karlsruhe Hauptbahnhof (main station)
How to Reach the Karlsruhe Institute of Technology

The Karlsruhe Institute of Technology is distributed over several locations. While the Campus North is situated in the administrative district of Karlsruhe near Eggenstein-Leopoldshafen, the Campus South is about 10 km away in the heart of the city of Karlsruhe.

The AAFMT Workshop 2012 takes place at the Campus North (Campus Nord) in seminar room of the Institute of Nanotechnology. You will be asked for your identity card at the front gate of the research centre.

How to Reach the Campus North by Car

The Campus North is located in Eggenstein-Leopoldshafen (about 12 km north of Karlsruhe). The address for your GPS is: Hermann-von-Helmholtz-Platz 1, 76344 Eggenstein-Leopoldshafen

**Coming from North: Frankfurt and Heidelberg (A5)**
- Leave the motorway at the exit of Bruchsal and go in the direction of Karlsdorf-Neuthard / Germersheim / B35.
- Stay on this road for some 4 km, and then turn off on the B36.
- Leave the B36 after some 12 kilometers, at the exit of Eggenstein-Leopoldshafen / Forschungszentrum
- After about 1 km, you reach the entrance road to the Campus North on your left.

**Coming from Northwest: Landau (A65)**
- Leave the motorway at the Knielingen exit and go straight ahead on the road (Rheinbrückenstraße) for another 3 km as far as to the Neureuter Straße junction (after having passed the premises of Siemens AG).
- Then turn left in the direction of Mannheim (B 36). Go straight ahead at all following junctions.
- After some 10 km, turn right at the exit of Bruchsal / Stutensee / KIT Campus Nord.
- Go ahead for another 1 km until you reach the entrance road to the Campus North on your left.

**Coming from East: Munich and Stuttgart (A8)**
- At the Karlsruhe motorway triangle, turn off in the direction of Karlsruhe / Frankfurt (A5).
- Leave the motorway at the Karlsruhe-Mitte exit and go in the direction of Landau/Pfalz (B10).
- Stay on this road another 9 km and turn off in the direction of Mannheim (B36).
- Drive straight ahead on the B36 at all junctions.
• Leave the B36 after some 11 km at the exit of Bruchsal / Stutensee / Forschungszentrum.
• After about 1 km, you reach the entrance road to the Campus North on your left.

Coming from South: Basel and Freiburg (A5)
• Leave the motorway at the exit No 48 Karlsruhe Süd and go in the direction of Karlsruhe / Landau-Pfalz (B10).
• Stay on this road another 4 km and turn off in the direction of Mannheim (B36).
• Drive straight ahead on the B 36 at all junctions.
• Leave the B 36 after some 11 km at the exit of Bruchsal / Stutensee / KIT Campus Nord.
• After about 1 km, you reach the entrance road to the Campus North on your left.

How to Reach the Campus North by Public Transport
The Campus North is located in Eggenstein-Leopoldshafen. There are various ways to get there by bus or tram from Karlsruhe city or Central Train Station. The exact times of departure are available on the website of the Karlsruher Verkehrsverbund (www.kvv.de). Information about travel data of the German Railway is provided by the Deutsche Bundesbahn (www.bahn.de).

Tram lines S 1 / S 11 from Karlsruhe Hauptbahnhof (Central Station) to the destinations of Leopoldshafen/Hochstetten
• Trams operate in 20-minute intervals; traveling time is approx. 40 minutes.
• Go by tram to stop "Leopoldstraße" at Leopoldshafen, change to bus No. 195 as far as "Forschungszentrum-Südtor" (southern entrance gate to the Campus North).

Regional train R 2 from Karlsruhe Hauptbahnhof (Central Station) to the destinations of Blankenloch Station/Mannheim.
• Trains operate in 60-minute intervals; travelling time is 25 minutes.
• At Blankenloch Station, change to bus No. 195 as far as “KIT Campus Nord”

Tram line S 2 from the Karlsruhe Central Business District (Kaiserstrasse) via Durlacher Tor in the direction of Blankenloch Nord.
• Trams operate in 20-minute intervals; traveling time is 36 minutes.
• At the "Blankenloch Nord" stop, change to bus No. 195 as far as "KIT Campus Nord"
